2007-2008 Fayette Academy Varsity Athletic Awards Ceremony

Samuel Garner Gymnasium

May 16, 2008 @ 7:00

Sponsored by the Fayette Academy Athletic Booster Club

All Varsity Athletes and their parents are invited to attend the 2007-2008 Athletic Awards Ceremony. The ceremony is to acknowledge all varsity athletes that have participated in football, basketball, volleyball, soccer, cross country, golf, wrestling, tennis, baseball, softball or cheerleading during the 2007-2008 year. We have had an outstanding year and would like to honor these fine, young athletes.

This year our ceremony will be followed by an outstanding dessert buffet, courtesy of the Athletic Booster Club. I would like to take this opportunity to thank the Athletic Booster club for their contribution to the athletic program at Fayette Academy. Their financial support of the athletic programs each year makes it possible for all students to participate in sports at Fayette Academy. This support supplements each sport beyond what the school can budget and for this support we are thankful.

Sincerely,

Rick Sullivan, Athletic Director  
Fayette Academy
